**East Manufacturing Names Great Western Leasing & Sales as an Authorized Dealer**

RANDOLPH, Ohio – April 21, 2015 – East Manufacturing is pleased to announce that it has named Great Western Leasing & Sales Inc. in Fontana, Calif., as an authorized East dealer. With 43 years of experience, Great Western will sell East flatbed and drop deck trailers in addition to providing full service and parts support for East trailers. Great Western offers trailer sales and rentals, service, parts, financing and leasing.

“We have sold several other trailer lines for years,” said Darrin Norton, president, Great Western Leasing & Sales Inc. “And we have always been impressed with East’s quality.”

Great Western began in Salt Lake City in 1971 as Trailer Maintenance Leasing, mainly liquidating used trailers from FB Truck Lines flatbed trailer fleet. The company later became Great Western Leasing, changing its name to Great Western Leasing & Sales, Inc. in 1997. According to Norton, the new name better reflects its evolution into a truck-trailer sales company as well as truck-trailer leasing company.

“We are pleased to have Great Western on board as a west coast dealer location,” said Dave de Poincy, President of East. “Their trailer knowledge will further contribute to the success of East.”

Great Western is headquartered at 14212 Valley Boulevard., Fontana, Calif. Reach them toll-free at 800-500-0827, or visit their website at [www.GreatWesternLeasing.com](http://www.GreatWesternLeasing.com).
